Institution

At UTS, we think differently: we take a global approach to education that has innovation at its core. What's more, we're a university for the real world. All our courses are closely aligned with industry need, so what you learn will prepare you for your future career.

We take a hands-on approach to learning – theory is great, but applying what you know is crucial to your success. We're well connected. Industry partners help shape our course content, *so what you study is relevant to your career. And we're located in one of the world's great cities, on a dynamic and interconnected campus* that will inspire you to learn.

The UTS difference

- **We're Australia's number 1 young university** and ranked 8th in the world (QS Top 50 Under 50 2018 and the Times Higher Education (THE) Young University rankings 2017). We're also ranked in the top 200 universities in the world according to QS.
- **We've created a world-class campus** of vibrant, interconnected student spaces. Take advantage of our award-winning buildings, state-of-the-art facilities and sustainable design.
- **We're Sydney's city university** – we live in the heart of one of the world's great cities, surrounded by Sydney's creative and digital industry precincts.
- **We have connections that count.** More than 150 industry partners shape our course content and provide internships, scholarships and resources.
- **Our students come first** – when you study with us, we'll support you along the way. Student services include health and counselling, academic and English language assistance, housing and careers support, and a range of clubs and societies.

Programs

With 180 undergraduate and 190 postgraduate courses across emerging and traditional disciplines, UTS has a course for you. Choose from:

- [Analytics and Data Science](#)
- [Business](#)
- [Communication](#)
- [Creative Intelligence and Innovation](#)
- [Design, Architecture and Building](#)

- [Engineering](#)
- [Health](#)
- [Health GEM \(Graduate Entry Masters\)](#)
- [Information Technology](#)
- [International Studies](#)
- [Law](#)
- [Science](#)
- [Transdisciplinary Innovation](#)
- [We also have a range of research and study abroad programs.](#)

English language programs:

UTS: INSEARCH is a pathway provider to UTS, and offers leading Academic English Programs, higher education diplomas and on behalf of UTS, UTS Foundation Studies.

For more information visit www.insearch.edu.au.

Other programs

Broaden your horizons, develop your international networks and study at UTS for one or two semesters with our **Study Abroad and Exchange** program: www.studyabroad-exchange.uts.edu.au.

With our **Global Exchange** program, you can study overseas for one of two semesters at a UTS partner university, and receive credit towards your UTS degree: www.global-exchange.uts.edu.au.

BUiLD (Beyond UTS International Leadership and Development) offers you a range of opportunities, locally and internationally, to develop your leadership potential: www.build.uts.edu.au.

Overview of services

UTS provides comprehensive support services for international students, many of which are free. Our services include English language and academic support, health and housing services, as well as a multi-faith prayer room.

There's over 100 clubs covering a range of social, cultural and sporting interests. Our peer network program encourages students to connect with others from Australia and the world. International students can engage with the community of UTS and Sydney, through day trips, cultural events and volunteering activities as part of our [Community Connections](#) program.

The [UTS Careers Service](#) offers resources and tools to equip students with key employability skills. Students can benefit from career consulting, work-ready programs and assistance in finding work opportunities.

The [UTS HELPS \(Higher Education Language and Presentation Support\) Service](#) is dedicated to providing English language and academic literacy support to UTS students. Offering daily workshops, free advice and an environment to practice English language skills from speaking, writing and reading.

Our [Housing Service](#) offers secure and affordable accommodation close to the UTS campus for over 1140 students. The Housing Residential Life program provides a dedicated support network, enhances learning and organises social activities.

Scholarships

We've dedicated AUD\$30 million to providing grants and scholarships for high-achieving international students over the next five years – including university-wide or faculty-specific funding for international students like you.

We offer scholarships for:

- incoming international students including Australian Awards Scholarships
- current UTS students for study overseas through programs such as BUiLD and Global Exchange
- current international students enrolled in undergraduate, postgraduate coursework and
- postgraduate research
